

## Dentists Act, 1948

### Section 16A - Withdrawal of Recognition of Recognised Dental Qualifications

---

(1) When, upon report by the Executive Committee or the Visitor, it appears to the Council

(a) that the courses of study and training or the examination to be undergone in order to obtain a recognised dental qualification from any authority or institution in a State, or the conditions for admission to such courses or the standards of proficiency required from the candidates at such examinations are not in conformity with the regulations made under this Act or fall short of the standards required thereby, or

(b) that an institution does not, in the matter of staff, equipment, accommodation, training and other facilities, satisfy the requirements of the Council,

the Council shall send a statement to that effect to the Central Government.

(2) After considering such a statement, the Central Government may send it to the Government of the State in which the authority exercises power or the institution is situated, and the State Government shall forward it, along with such remarks as it may think fit to make, to the authority or institution concerned, with an intimation of the period within which the authority or institution may submit its explanation to the State Government.

(3) After considering the explanation, or where no explanation is submitted within the period fixed, then, on the expiry of that period, the State Government shall make its recommendations to the Central Government.

(4) The Central Government may, after considering the recommendations of the State Government and after making such further inquiry, if any, as it may think fit, by notification in the Official Gazette, direct that an entry shall be made in Part I of the Schedule against the qualification granted by the authority or institution declaring that it shall be a recognised dental qualification only when granted before a specified date or that the said recognised dental qualification if granted to students of a specified college or institution affiliated to any University shall be a recognised dental qualification only when granted before a specified date or, as the case maybe, that the said recognised dental qualification shall be a recognised dental qualification in relation to a specified college or institution affiliated to any University only when granted after a specified date.]
