The Goa Command Area Development Act, 1997

Section 26 - Power to specify principles of localisation.—

1) Subject to such rules as maybe made in this behalf, the Command Area Development Board may, having regard to resources of land and water, nature of soil, climate and other technical considerations, by an order, specify for each command area, principles of localisation for the purpose of irrigation. (2) The Command Area Development Board may, having regard to the advances in technology of land and water management and other agronomic practices, alter, from time to time, by an order, the principles of localisation so specified for any command area. Explanation: The term principles of localisation, shall include the prescription of season of the irrigation, the type of irrigation, such as wet, irrigated dry, double crop or single crop, or perennial irrigation.
