Cantonments Act, 2006

Section 171 - Disinfection of building before letting the same

section 168 or section 169, and who desire such shelter or accommodation as aforesaid to be provided for them. 1)Where in a cantonment any building or part of a building is intended to be let, in which any person has, within six weeks immediately preceding, been suffering from an infectious or contagious disease, the person letting the building or part shall before doing so disinfect the same in such manner as the Chief Executive Officer may, by public or special notice, direct, together with all articles therein liable to retain infection. (2) For the purposes of this section, the keeper of a hotel, lodging house or sarai shall be deemed to let to any person who is admitted as a guest therein that part of the building in which such person is permitted to reside.
