

Railways Act, 1989

Section 4D - Functions of Authority

Section 4D - Functions of Authority

1[Section 4D - Functions of Authority

(1) The Authority shall discharge such functions and exercise such powers of the Central Government in relation to the development of railway land and as are specifically assigned to it by the Central Government.

(2) In particular, and without prejudice to the generality of the foregoing power, the Central Government may assign to the Authority all or any of the following functions, namely:--

- (i) to prepare scheme or schemes for use of railway land in conformity with the provisions of this Act;
- (ii) to develop railway land for commercial use as may be entrusted by the Central Government for the purpose of generating revenue by non-tariff measures;
- (iii) to develop and provide consultancy, construction or management services and undertake operation in India in relation to the development of land and property;
- (iv) to carry out any other work or function as may be entrusted to it by the Central Government by order in writing.]
