Patents Act, 1970

Section 32 - Anticipation by public working.—An invention claimed in a complete specification shall not be deemed to have been

(a) by the patentee or applicant for the patent or any person from whom he derives title; or (b) by any other person with the consent of the patentee or applicant for the patent or any person from whom he derives title, if the working was effected for the purpose of reasonable trial only and if it was reasonably necessary, having regard to the nature of the invention, that the working for that purpose should be effected inSection 33 - public
