Succession Act, 1925

Section 40 - WHERE INTESTATE LEAVES LINEAL DESCENDANTS NOT ALL IN SAME DEGREE OF KINDRED TO HIM, AND THOSE THROUGH WHOM THE MORE

1) If the intestate has left lineal descendants who do not all stand in the same degree of kindred to him, and the persons through whom the more remote are descended from him are dead, the property shall be divided into such a number of equal shares as may correspond with the number of the lineal descendants of the intestate who either stood in the nearest degree of kindred to him at his decease, or, having been of the like degree of kindred to him, died before him, leaving lineal descendants who survived him. (2) One of such shares shall be allotted to each of the lineal descendants who stood in the nearest degree of kindred to the intestate at his decease; and one of such shares shall be allotted in respect of each of such deceased lineal descendants; and the share allotted in respect of each of such deceased lineal descendants shall belong to his surviving child or children or more remote lineal descendants, as the case may be; such surviving child or children or more remote lineal descendants always taking the share which his or their parent or parents would have been entitled to respectively if such parent or parents had survived the intestate.
