The Indian Penal Code 1860

Section 107 - ABETMENT OF A THING A person abets the doing of a thing, who-- First--Instigates any person to do that thing; or

Cal) Conspiracy consists in the agreement of two or more persons to do an unlawful act, or to do a lawful act by unlawful means. It is an indictable offence at common law. The gist of the third paragraph of this section is the active complicity. Aiding andabetting almost inevitably involves a situation in which the secondary party and the main offender are together at some stage discussing the plans which they may be making in respect of the alleged offence, and are in contact so that each knows what is passing through the mind of the other.
