SECTION 05: CONSENT OF LOCAL OR ROAD AUTHORITY NOT NECESSARY IN CERTAIN CASES When it is proposed to lay a tramway in two or more circles, and a local authority or road-authority having control in either or any of the circles does not consent thereto, or attaches conditions to its consent, the¹⁷[Government] may, nevertheless, make an order authorizing the construction of tramway in the circle, or by the order impose on the promoter any conditions which it deems fit, if, after considering the reasons of the authority for withholding its consent or attaching the conditions thereto, it is satisfied that the construction of the tramway in the circle is expedient, or, as the case may be, that the conditions attached by the authority to its consent ought not to be imposed.
