River Conservancy Act, 1884

Section 5 - Duties of Surveyor

It shall be the duty of the surveyor appointed to make a survey of any river to note upon the charts there of all cultivation existing of ordinarily carried on, and all groynes buildings, plantations, constructions of obstructions within the surveyed limits of the said river, and to Survey Register. Prepare a register to be styled the Survey Register, containing the above particulars. The Surveyor shall also mark upon the charts of the ordinary channel as it exists at the date of the survey so far as it can be ascertained
