

The Industrial Relations Code, 2020

Section 80 - Procedure for closing down an industrial establishment

(1) An employer who intends to close down an undertaking of an industrial establishment to which this Chapter applies shall, electronically or otherwise, apply in such manner as may be prescribed, for prior permission at least ninety days before the date on which the intended closure is to become effective, to the appropriate Government, stating clearly the reasons for the intended closure of the undertaking and a copy of such application shall also be served simultaneously on the representatives of the workers in such manner as may be prescribed:

Provided that nothing in this sub-section shall apply to an undertaking set up for the construction of buildings, bridges, roads, canals, dams or for other construction work.

(2) Where an application for permission has been made under sub-section (1), the appropriate Government, after making such enquiry as it thinks fit and after giving a reasonable opportunity of being heard to the employer, the workers and the persons interested in such closure may, having regard to the genuineness and adequacy of the reasons stated by the employer, the interests of the general public and all other relevant factors, by order and for reasons to be recorded in writing, grant or refuse to grant such permission and a copy of such order shall be communicated to the employer and the workers.

(3) Where an application has been made under sub-section (1) and the appropriate Government does not communicate the order granting or refusing to grant permission to the employer within a period of sixty days from the date on which such application is made, the permission applied for shall be deemed to have been granted as applied for on the expiration of the said period of sixty days and the application shall be deemed to have been disposed of accordingly by the appropriate Government.

(4) An order of the appropriate Government granting or refusing to grant permission shall, subject to the provisions of sub-section (5), be final and binding on all the parties and shall remain in force for one year from the date of such order.

(5) The appropriate Government may, either on its own motion or on the application made by the employer or any worker, review its order granting or refusing to grant permission under sub-section (2) within the prescribed time from the date on which such order is made or refer the matter to a Tribunal for adjudication: Provided that where a reference has been made to a Tribunal under this sub-section, it shall pass an award within a period of thirty days from the date of such reference.

(6) Where no application for permission under sub-section (1) is made within the period specified therein, or where the permission for closure has been refused, the closure of the undertaking shall be deemed to be illegal from the date of closure and the workers shall be entitled to all the benefits under any law for the time being in force as if the undertaking had not been closed down.

(7) Notwithstanding anything contained in the foregoing provisions of this section, the appropriate Government may, if it is satisfied that owing to such exceptional circumstances as accident in the undertaking or death of the employer or the like it is necessary so to do, by order, direct that the provisions of sub-section (1) shall not apply in relation to such undertaking for such period as may be specified in the order.

(8) Where an undertaking is permitted to be closed down under sub-section (2) or where permission for closure is deemed to be granted under sub-section (3), every worker who is employed in that undertaking immediately before the date of application for permission under this section, shall be entitled to receive compensation which shall be equivalent to fifteen days average pay, or average pay of such days as may be notified by the appropriate Government, for every completed year of continuous service or any part thereof in excess of six months.
