ORDER

~~~~~~~ Previous application (B.A.No.3105/2013) moved by petitioners seeking pre-arrest bail had been dismissed. Treatment certificate of second petitioner, who is stated to be a chronic diabetic patient, was not produced with the previous application, is the plea now made for entertaining the present petition for the discretionary relief. I do not find any merit in the cause so shown for entertaining the present petition. Petition is not entertainable, and it is rejected.
