SooperKanoon Citation : sooperkanoon.com/1042590

Court : Madhya Pradesh

Decided On : Aug-28-2012

Appellant : Rajendra Kumar Sharma

Respondent : The State of Madhya Pradesh

Judgement :

28.08.2012.

Shri P.

Choubey and Shri Tapan Bathre for the petitioner.

Shri Sanjeev Kumar Singh, Panel Lawyer, for the State on advance notice.

Petitioner is working as a Forest Range Officer in Forest Department, Rehatgaon, Harda and by the impugned order dated 9.8.2012, has been transferred to Bhopal.

Challenge to the order of transfer is made mainly on the ground that petitioner came to Rehatgaon only two months back and the transfer amounts to frequent transfer.

Shri Sanjeev Kumar Singh, learned Panel Lawyer, points out that posting of the petitioner at Rehatgaon was a local adjustment made by transferring the petitioner within the area by the Local Officer, but not petitioner, who has completed his tenure posting in District Hardha, is being transferred from Harda to Bhopal and,

therefore, in the absence of any statutory rule or regulation being shown to be violated, it is stated that interference into the matter is not called for.

Having heard learned counsel for the parties and on a perusal of records, it is clear that petitioner has been transferred from one District to another not after the period of his tenure posting and in the absence of any statutory rule or regulation being violated, I see no ground to interfere into the matter.

Accordingly, granting liberty to the petitioner to take recouRs.to the departmental remedies available, the petition is disposed of.

Certified copy as per rules.
