2. Subject FIRs are cross FIRs registered consequent to a quarrel that took place between the parties with regard to sharing of irrigation water. Both the parties submit that all the disputes inter-se parties have been settled and there are no surviving disputes between them. Settlement/ Compromise dated 08.10.2018 has been executed between the parties with the intervention of other members of the village. Parties are present in person in Court. They assure that they shall not quarrel with each other in future.

They submit that they have settled the disputes with each other and they further undertake that they shall maintain peace and cordial relationship in the locality and shall not indulge in fighting with each other in the future.

4. In view of the fact that the disputes between the petitioners and respondents have been settled, continuation of criminal proceedings will be an exercise in futility and justice in the case demands that the dispute between the parties is put to an end and peace is restored; securing the ends of justice being the ultimate guiding factor.
