JUDGMENT

ALEXANDER THOMAS, J.

These appeals arise out of the impugned interim order rendered by the learned Single Judge in the writ petitions concerned, on 2.12.2021 thereby it was ordered that the first and second respondents in the Writ Petitions (State of Kerala and the Government and Departmental W.A. No.2 of 2022 and con. cases. authorities concerned) shall make payment of the arrears within a period of one week from the date of receipt of a copy of the order. The official respondents in W.P.(C)s have filed these writ appeals stating that the time granted by the learned Single Judge is too short and that it is extremely difficult to meet with such a short time of one week to process the entire papers and to honour the admissible and undisputable amounts, for which according to them the bills will have to be presented by the Principals of the aided colleges concerned. We are told that the main objections raised by the appellants is only regarding inadequacy of time to comply with the directions. We specifically queried to Sri. A.J.Varghese, the learned Senior Government Pleader as to whether the appellants/official respondents in the W.P.(C)s have any objections in ensuring that the admissible and undisputed amounts covered by the Government Orders in question, be disbursed to the respective writ petitioners, without any further delay. We say so, as the impugned interim order was rendered by the learned Single Judge as early as on 2.12.2021 and now more than 6 months have elapsed. Since the main grievance of the State and Departmental authorities was regarding the inadequacy of time, we feel that these appeals need not be kept any W.A. No.2 of 2022 and con. cases.

longer. The appellants need not prolong the process of paying the undisputed and admissible amounts as per the Government Orders concerned to the writ petitioners concerned who are retired teachers of aided and affiliated colleges. From the submissions of Sri.V.Krishna Menon, the learned counsel appearing for the contesting respondents in some of the appeals, it appears that certain other issues are emanating from G.O.(P)162/20221/Fin. Dated 2.12.2021, (produced as Annexure A2 in W.A.2/2022) issued by Finance Department of the State Government. All issues on the merits of the matter including those arising out of aforesaid Annexure A2 G.O.dated 2.12.2021 could be the subject under consideration by the learned Single Judge in the W.P(C)s from which these appeals have arisen. Hence, it is ordered that the appellants will ensure that the undisputed and admissible amounts, in terms of the government orders shall be released and cleared to the respective writ petitioners in these writ appeals without any further delay, preferably, within two months, at any rate within the outer limit of 3 months from the date of production of a copy of this judgment. Sri. A.J.Varghese, learned Senior Government Pleader appearing for the appellants would

also submit that since the writ petitioners are borne in the services of W.A. No.2 of 2022 and con. cases.

aided colleges, the procedural formality is that the bills for the due amounts concerned will have to be presented by respective Principal of the aided colleges concerned to the Deputy Director of Collegiate Education concerned and only thereafter, that the departmental authorities can take steps for processing the claims and to authorise the release of admissible and undisputable amounts. That is a matter to be resolved by the appellants. However, the Deputy Director, Collegiate Education concerned of the various regions may ensure that they co-ordinate further steps in that regard with the respective Principals of the respective colleges concerned and will ensure that the procedural formality involved in the submission of any such bills by the principals concerned is complied. It is for the Deputy Director of Education concerned to ensure that such bills are presented by the Principals concerned and admissible amounts are thereafter honoured and cleared by the Departmental authorities without any further delay. The main

issues are to be adjudicated in the pending W.P.(C)s by the learned single

judge. From the submissions of the parties, it appears to us that most of the writ petitioners have already been paid the admitted and undisputed amounts in question and only in the case of few writ W.A. No.2 of 2022 and con. cases. petitioners that such admitted amounts have not been fully paid and it is pending process of such claims. Sri. V.Krishna Menon, the learned counsel appearing for the contesting respondents in some of the appeals (i.e. petitioners in some of the writ petitions) submits that the parties have taken steps to challenge the aforementioned Annexure A2 Government Order G.O.(P) No.162/2021/Fin dated 2.12.2021, by amending the respective writ petitions and that amended applications are pending consideration and that the amended applications could not be posted in W.P.(c)s during the pendency of these appeals. We make it clear that it is for the petitioners concerned to move applications for amendment and secure orders in this regard.

2. The Registry will post the WP(C)s before the Single Judge

concerned and if a court is exclusively assigned for hearing of WP(C) matters, then efforts may be taken by the Registry to ensure that these WP(C)s are posted before a learned Single judge who is assigned with hearing matters. It is for the Registry to appropriately post these WP(C)s to ensure the early disposal of the W.P.(C)s without any further delay. We request the learned Single Judge to consider giving priority for

hearing these matters, so that the main matters could be disposed of W.A. No.2 of 2022 and con. cases.

without much delay. The Registry will place copies of this judgment in these appeals and in each of the W.P.(C)s concerned for necessary information. No further directions and orders are called for. With these observations these writ appeals stand finally disposed of. sd/- ALEXANDER THOMAS, JUDGE Sd/- MURALI PURUSHOTHAMAN, JUDGE al/- APPENDIX OF WA 2/2022 PETITIONER ANNEXURES Annexure A1 TRUE OF THE ABOVE CIRCULAR
