JUDGMENT

The essential controversy in these cases relate to the membership of a Corporate Educational Agency called Thrithala Education Society ('Society' for short); and as to who is the Manager of a School by name K.B.Menon Memorial Higher Secondary School, which is managed by the said Society.

2. The pleadings on record show that the

Society is governed by a Bye-law, which was approved by the competent educational Authority, namely the Regional Deputy Director of Public Instructions, Calicut, (as the post was then designated). The founding members shown therein are Sri.M.P.Narayana Bhattathiripad, Sri.K.V.Syed Mohammed, Sri.M.P.Vasudevan Bhattathiripad, Sri.Kesavan Nair, Dr.M.G.Gopal and Sri.K.P.Narayana Menon.

3. It transpires that through the travel of time, other members were also inducted, namely Sri.Abdu Rahman and two others; and that the membership of the Society at one point of time stood at nine.

4. It appears that, on account of old

age and such other factors, some of the members either became invalid or even died, consequent to which, the membership attenuated to less than the quorum required as per the Bye Laws and that there were deliberations to induct new people at several points of time.

5. Interestingly, it is at this stage

that the controversy begins, because various persons claim to have applied for and obtained membership in the Society and all of them stake claim to various positions therein, including to that of the Manager of the school.

6. Out of the afore mentioned writ petitions, W.P(C)No.20051 of 2017 and W.P(C)No.20572 of 2017 have been filed by Shri.Dr.M.G.Gopalan and Shri.K.V.Syed

Mohammed, who are members of the Society ever since its inception; while W.P(C)No.20123 of 2017, W.P(C)No.20071 of 2019, W.P(C)No.20554 of 2017 and W.P(C)No.16246 of 2019 have been filed by various persons who claim to have been inducted into the Society as members subsequently.

7. Even though there are several

assertions, allegations and averments made and urged in these writ petitions with respect to the history of the Society and its functioning for the last several years, they are not really relevant for my consideration at the present time because, it is conceded that the

Government, noticing the internecine issues

within the Society, had issued an order

bearing number G.O(Rt)No.1636/2017/ G.Edn. dated 30.05.2017 (which will hereinafter be referred to as the First Government Order), approving the afore named Sri.Abdu Rahman as the Manager of the School and further directing the Society to induct new members as per the approved Bye Laws, thus leading to the selection of a new Manager within a period of six months.

8. This order has been challenged by

Shri.Dr.M.G.Gopalan in W.P(C)No.20051 of 2017, asserting that the appointment of Sri.Abdu Rahman in such manner was illegal, since he had already been duly elected as the Manager by the Society through an earlier proceedings.

9. While so, it transpires that, based

on statutory revisions filed by some other parties - with respect to an earlier proceedings, whereby, a certain Shri.M.Sukumaran had claimed

to be appointed as the Manager - the Government issued an order, bearing number G.O(Rt)No.1878/2017/ G.Edn. dated 14/06/2017 (which will hereinafter referred to as the Second Government Order') reviewed its earlier

decision and vacated the First Government Order and appointed the District Educational Officer, Ottappalam (DEO), to officiate as the Manager of the School, holding that there were civil disputes between the members of the Society.

10. The other writ petitions, except

W.P(C)No.16246 of 2019, has been filed challenging this order as being illegal and contending that there are no civil disputes between the members of the Society and therefore, that the person duly elected among them, as the Manager, ought to have been so approved.

11. That said, W.P(C)No.16246 of 2019 has

been filed by Shri.M.Krishnadas, alleging that, during the period when Sri.Abdu Rahman was appointed as the Manager through the First Government Order, he was completely invalid and incapable of even basic cognitive faculties, but that taking advantage of this, certain records were created by a teacher close to him, to show that sixteen appointments were made to the School; and he alleges that the proposals for the same were forged and fabricated.

12. Shri.M.Krishandas asserts that, based

on his complaint the Vigilance Officer/ Additional Director in the Office of the Director of General Education conducted an enquiry and concluded that since Sri.Abdu Rahman was very ill at the relevant time, it is possible that his signatures were forged in the appointment orders and proposal of approval of the afore mentioned sixteen new appointees; thus recommending proper action at the hands of the competent Authority. He asserts that, thereafter, the Director of General Education (DGE for short) issued an

order dated 15.03.2018 - (a copy of which is

on record as Ext.P8(9) in W.P(C)No.16246 of 2019) - recommending an enquiry to be conducted by the Government through the Police or the Vigilance and Anti Corruption Bureau.

13. Shri.M.Krishnadas further alleges

that, in spite of these recommendations, no action has been yet taken by the Government; and therefore, prays that the Authorities concerned be directed to implement these at the earliest.

14. The narration of the most essential

facts being done as fore, it becomes luculent

that as matters now stand, there are deep seated disputes between the persons claiming to be the original members of the Society and those claiming to have been inducted to it subsequently; and this is evident from the fact that rival claims have been set forth to the post of Manager of the School.

15. Obviously therefore, the Government

had no other option but to appoint the jurisdictional DEO as the Manager of the school, until such time as the internecine disputes between the members of Society are properly resolved. Of course, the Government casually says that there are civil disputes between them and it is the contention of the petitioners in most of these cases that there are no such disputes and that the Society has operated on the basis of meetings and minutes recorded with respect to his deliberations.

16. However, it is also true - it being

virtually uncontested - that many of the petitioners are at war with each other, asserting that the persons who claim to have been subsequently inducted were not so done as per the approved Byelaws.

17. Therefore, there can be little doubt that if this situation is allowed to continue further, the affairs of the school would be irreparably prejudiced and it would cause

deleterious consequences to the students and staff studying and working therein. I cannot, therefore, but find favour with the action of the Government - whatever be the legal contentions raised against it - in having appointed the DEO as the Manager, so that a new Manager can be elected by the Society, after resolution of their internecine disputes, thus leading to a peaceful and congenial atmosphere in management of the school in question.

18. Sri.P.Ravindran, learned senior

counsel, instructed by Smt.Aparna Rajan, appearing for the petitioner in W.P.(C) No.20572/2017, conceded that what is immediately requisite for the proper functioning of the school is that the affairs of the Society be put back in rail, particularly because the now available original committee members, who had subscribed their signatures to the approved

Byelaws, are all in their late 80s or early 90s; while the rest have already died.

19. The learned senior counsel also

admitted that as long as there are disputes between the original members of the Society and those who claim to have been inducted subsequently, the affairs of the school cannot be managed smoothly; and therefore, that, for the time being, his client does not object to the DEO continuing to officiate as the Manager, provided the Regional Deputy Director of Education, Palakkad, conducts an evaluation of the membership of the Society, leading to a proper election among them inter alia for the post of Manager. The learned senior counsel thus prayed that appropriate directions in this regard be issued, so that

there will be a resolution to the issues

projected in these cases, without any further delay.

20. The sentiment of Sri.P.Ravindran was

shared by the various other learned senior counsel and counsel appearing in these matters and they also affirmed that unless action is taken to resolve the disputes among the members of Society, the situation with respect to the school will deteriorate, particularly because it is one of the most prominent ones in the locality with a large number of students studying in it.

21. When I analyse the submissions made

before me, juxtaposed with the materials and documents available on record, there can be no doubt that the primary concern of this Court will be to ensure that the school is run well and that the students and staff studying and teaching there are put to no prejudice on account of the disputes between members of the Corporate Educational Agency. It is needless to say that the disputes among the members of Educational Agency can never be allowed to escalate into a situation where

the school would be affected or prejudiced and indubitably, therefore, the primary intent of this Court is to ensure that they are resolved effectively by the competent educational Authorities at the earliest.

22. That being said, it is conceded by

the petitioners and the respondents in these cases that the Society is governed by the approved Byelaws mentioned above. Unfortunately, due to efflux of time, many of the original members shown therein have died. It is also virtually conceded, without its specifics being admitted, that there were some additions subsequently; but as matters now stand and as far as this Court is concerned, it is impossible to ascertain who are the real members and who are the persons who claim to be such without any

tenable basis.

23. Obviously, therefore, if this situation is now allowed to continue, the inter se disputes between the persons who claim to be members of the Society will certainly lead to the perdition of the school itself.

24. I am, therefore, of the firm view that it is now time for the competent educational Authorities to act in accordance with the mandate under the provisions of the Kerala Education Act and KER.

25. I resultantly proposed at the Bar

that the Regional Deputy Director of Education, Palakkad, must be asked to call all those persons who claim to be members of the Society and verify their asserted membership in it, based on the documents produced or obtained from the Society; so that, once this is done, the Deputy Director can then call for a meeting to be conducted among the valid members, leading to the selection of the Manager of the school, as per the approved Byelaws. I had suggested so

also for reason that it is submitted at the Bar, by the learned counsel for the rival parties, that the earlier approved Manager - Sri.Abdu Rahman, is now no more.

26. I must record that the learned senior

counsel as also the various learned counsel on record for the parties on both sides agreed to the afore suggestion of the Court and, in fact, conceded that if this is done, it would be to the benefit of the school in the long run.

27. As regards the complaint of

Sri.M.Krishnadas, as voiced in W.P.(C) No.16246/2019 is concerned, Dr.George Abraham, learned counsel for the party respondents therein - who are the teachers appointed by Sri.Abdu Rahman during the time when he was the approved Manager - prayed that this Court may not

direct any particular enquiry to be conducted, because his clients have already been approved as teachers of the school and

because Ext.P8 report prepared by the Vigilance Officer/Additional Director - even if it is taken to be true - can never reflect the cognitive faculties of Sri.Abdur Rahman at the time when he made the appointments, since it was settled more than seven months later.

28. I find some force in the afore

submissions, but I am of the view that it will not be proper for this Court to speak one way or the other on this issue; and am, therefore, of the opinion that the competent Authority, namely the Director of General Education, must be asked to examine the approvals granted to the party respondents in this case based on the report of the Vigilance Officer/Additional Director.

29. That said, it is upto the Government

to take any decision that they may deem fit on Ext.P8 recommendations of the Vigilance Officer/Additional Director with respect to an enquiry by the Police or by the Vigilance and Anti-Corruption Bureau. I am sure that it would not be necessary for this Court to speak affirmatively on this at this point of time. In the afore circumstances, I order these writ petitions in the following manner:

(a) The Deputy Director of Education,

Palakkad, will hear all the petitioners and every other person who claims to be the members of the Thrithala Education Society and will decide as to who among them are its members and who have been inducted validly into it as per the approved Byelaws. For this purpose, I direct the petitioners and every other person who is staking such a claim, to mark appearance before the Deputy Director of Education, Palakkad, at 11 a.m. on 10.03.2021, along with all the documents that they may use in substantiation of their claim in their possession. The Deputy Director will,

thereupon, either hear them on that day or adjourn the matter for hearing to a convenient

date and take a decision as to who among them are validly inducted members of the Society, after assessing all the documents, including those which he may call for from the Society for this purpose. This exercise shall be completed by the Deputy Director not later than four months from the date of receipt of a copy of this judgment.

(b) On the Deputy Director completing the

afore exercise and preparing a list of those persons whom he identifies and recognizes as the members of the Thrithala Education Society, he shall arrange for an election to be conducted among them for the appointment of office bearers of the society, including the Manager of the school; and this shall be done within a period of three months thereafter.

(c) On a person being validly selected as the Manager of the school in terms of the afore directions, the proposal for his/her

approval shall be forwarded by the present Manager - the D.E.O., Ottappalam, to the Deputy Director, who shall thereupon, consider the same and issue appropriate orders on it without any avoidable delay.

(d) As regards the allegations made in

W.P.(C)No.16246/2019 are concerned, I direct the Director General of Education to examine the approvals granted to the party respondents therein and take a decision as to whether any modification or variation of the same is required, under the provisions of Rule 8A of Chapter XIVA of the Kerala Education Rules, adverting to the report of the Vigilance Officer/Additional Director (which is available as Ext.P8 in W.P.(C)No.16246/2019). The Deputy Director, of course, will complete this exercise, after hearing Sri.M.Krishnadas - Petitioner in

W.P.(C)No.16246/2019 and the party respondents and after specifically advertent to the latter's contention that

Sri.Abdul Rahman was hale and hearty at the time when their appointments were made and that the report of the Vigilance Officer/Additional Director was prepared based on the contention of Sri.Abdul Rahman nearly seven months after such appointments had been made.

(e) Finally, I give liberty to the

Government to decide if any action, pursuant to the recommendations of the Vigilance Officer/Additional Director for conduct of an enquiry by the Police or the Anti-Corruption Bureau is required, with respect to the appointments made in the school by late Sri.Abdul Rahman and while doing so, they shall also certainly keep in mind the contention of the party respondents that the said report was settled by the Vigilance Officer/Additional Director nearly seven months after the appointments were made by Sri.Abdul Rahman.

(f) Needless to say, once a manager is

validly appointed in the manner as afore directed, the Educational Agency will be put in control of its management, who will thereafter, run it in terms of the approved Bylaws.

After I dictated this part of the judgment, Sri.P.Ravindran, learned senior counsel, submitted that since two of the original members of the society, namely Sri.K.V.Syed Mohammed and Dr.M.K.Gopalan, are now very old, they may be permitted to present their case before the Deputy Director of Education through an authorized representative. I find sufficient cause to accede to this request, because from the pleadings it is indubitable that they are now over 80 or 85 years in age. I, therefore, permit them to be represented before the DGE through a validly and properly authorized person, subject to the satisfaction of the said Authority.

These writ petitions are thus disposed of.
