Patodia Polytex Ltd. and Patodia Vs. Commissioner of Central Excise

SooperKanoon Citation : sooperkanoon.com/22350

Court : Customs Excise and Service Tax Appellate Tribunal CESTAT Mumbai

Decided On : Apr-20-2001

Appellant : Patodia Polytex Ltd. and Patodia

Respondent : Commissioner of Central Excise

Judgement :

1. The question for consideration in these appeals is whether, in calculating the value of clearances made by the appellant for the purposes of notification 1/93, it is the date on which the textured polyester yarn manufactured by the appellant was notified as being eligible for the benefit of the notification, or the date on which the appellant opted for the notification, that is to be reckoned.

2. This issue has been decided by the Madras bench of the Tribunal in CCE, Coimbatore Vs. Sri Kumaran Spinners Pvt. Ltd. 1997 (73) ECR 894 holding that it is the clearances from the date on which the manufacturer opts for the exemption that should be reckoned.

3. We therefore allow these appeals and set aside the impugned order.

Consequential relief according to law.
