Respondent : Biligiri

Judgement :

Hutchins, J.

1. The facts found in this case are that the accused Biligiri received an advance in Mysore territory and engaged to come and work on a particular estate in the Wynaad. He did not, however, leave Mysore until he was apprehended on a warrant for this breach of contract and brought up to Wynaad in custody. The Bench of Magistrates has convicted him and ordered him to do the work contracted for, notwithstanding the President's opinion that they had no jurisdiction, both the contract and the breach having taken place in foreign territory.

2. The President's opinion seems correct, and I quash the proceedings and the order requiring Biligiri to do the work contracted for.
